

Frozen Salmon and Sweet Potato Cat Treats

Ingredients

- 1 (14 oz.) can wild-caught salmon
- 1 1/2 cups sweet potato, baked and mashed
- 1 1/2 cups old-fashioned oats
- 1/4 cup fresh parsley
- **silicone fish mold**

Directions

1. Combine salmon and sweet potato in a large bowl and use two forks to break up larger salmon pieces while mixing it in with the sweet potato.
2. In a food processor, pulse together oats and parsley until finely ground, then pour into salmon sweet potato mixture.
3. Fold everything together until incorporated, then spoon mixture into **silicone fish mold**.
4. Freeze for at least 2-3 hours, or until set, then serve to your pup as desired.
